Portfolio : <http://www.mathis-biabiany.fr>

I'm passionate about innovative technologies. I spend a large part of my time to test digital tools allowing to make feel feelings via the pixel or new supports. That is why I am always excited when I make new promising projects and to be able to share this experience.

Experience :

- **Web Developer at Touaregs (Paris, France)**
October 2013 – June 2016
- **Web Developer at La Vie du Rail (Paris, France)**
Avril 2013 – July 2013

Technical Skills :

- HTML5/CSS3/Javascript
- WebGL / GLSL
- iOS (Objective-C / Swift)
- PHP5
- Flash / ActionScript3

Education :

- **CRMA, in Interactive and Digital media communication programmes.**
Gobelins, l'école de l'image, Paris, France.
2014 – 2016
- **Bachelor Web Development and Mobile.**
Gennevilliers, France.
2013 – 2014
- **DUT SRC, Network & Services of Communication.**
Sarcelles, France.
2011 – 2013
- **BAC, in Sciences and Technologies of the Industry.**
Saint-Denis, France.
2011

Awards :
